J & R Klassek trading as "Classic IT Support" and "MessageWeek Ministries" – is a not-for-profit philanthropic business. Offices: 7 Chidlow Street East, Northam, WA, 6401 and 28 Rose Terrace, Spencers Brook, WA,6401. ABN 63 198 463 554. All work/goods to be paid for in full on completion/ delivery; orders over $1000. payable in full at time of ordering and prior to procurement. No Credit Terms. The ownership/title of all goods remains the property of Classic IT Support until full payment is made. Payment may be made by cash, cheque, direct bank deposit, or by EFTPOS/Credit Card at our Northam office. All new computer systems are covered by a one year warranty; quality Intel CPUs feature a three year warranty; pre-loved computers are covered by a 30 day warranty. This invoice is your proof of purchase and should be kept for warranty purposes. Warranty does not cover problems arising from faulty software installation/configuration. Opening of computer case and tampering with internal components by customer or unauthorised persons will void warranty. Installation of user's own licensed software or network integration may incur additional cost. All care is taken but no guarantee can be given or liability undertaken or accepted regarding user customisation, software development or user files/data when upgrading or modifying customer systems or software: we strongly recommend that, in order to avoid data loss, users regularly back-up all important files (such as documents and accounting records). We also strongly advise the use a current and updated anti-virus/anti-spyware program. As a purchaser of a new Classic IT Support computer, you have the benefits of FREE unlimited lifetime support. If requiring support by telephone, please ensure that you are able to easily access computer while talking to support technician. Online support details also available at www.classic-it.net
